

Privacy Policy

Ripon Runners is a running club located at Ripon Rugby Club in North Yorkshire. This privacy policy explains how we use any personal information we collect about you when you become a member or when you enter one of our races.

When do we collect information about you?

We collect information about you when you become a member of the club, when you enter one of our races or when you sign up to our races email list.

How do we use the information about you?

Members

We collect information about you to be able to contact you about club affairs and to be able to collect club subscriptions. When you no longer decide to be a member your details will be deleted.

When you become a senior member of or renew your senior membership with Ripon Runners you will automatically be registered as a member of England Athletics. We will provide England Athletics with your personal data, which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.

If you have consented to be on our club email list you may receive group emails from any club member who is on the email list. There is a link in every email we send you which enables you to unsubscribe from the system or you can send an email to unsubscribe@riponrunners.org.uk.

Race entrants

We collect information about you to provide you with pre-race information and for medical safety reasons on race day. We use your name and age category to be able to display the results of any race you complete.

Promoting our races

If you have consented to be on our races email list, we use your information to let you know when the online entry system is open for any of our races in which you are interested. We will only ever send you one reminder. There is a link in every email we send you which enables you to unsubscribe from the system or you can send an email to racedirector@riponrunners.org.uk.

How do we ensure your information is secure?

Information on membership forms is kept in a secure location by the club membership secretary. Information in electronic form is stored on secure servers accessed by two part authentication when this is available.

Access to your information and correction

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us at the following address. We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate.

Changes to this Privacy Notice

We will check this policy from time to time and post any changes here and via links in messages you have consented to receive.

Resolving Privacy Issues

We will always try our best to resolve any data privacy issue you may have. You have the right to refer any data privacy issue to the Information Commissioner's Office at any time.
