When you become a member of or renew your membership with Ripon Runners you will automatically be registered as a member of England Athletics. We will provide England Athletics with your personal data, which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.

Club group email list

The club has the following email address members@riponrunners.org.uk for club member use only.

This is a centralised group email address, which can be used by any subscribed club member on any computer, tablet or mobile to email all members with matters of interest relating to running. So, no more incorrect and incomplete local groups on your computer or messy Reply-to-All from old emails. Simply add it as one of your contacts in whatever email program you use.

Your email address and name is stored on the emailing system and it is used for no other purpose than that described above.

The system is self policing with no moderator. It's up users to say what they may find unacceptable in the unlikely event that the system is ever used irresponsibly.

There is a link at the bottom of any group email to allow you to unsubscribe. However if this doesn't work for any reason please email unsubscribe@riponrunners.org.uk.
